

Old Line Construction, Inc
2972 Penwick Ln Suite 201
Dunkirk, MD 20754
P: (410) 286-0647
F: (410) 286-0644

Old Line Construction, Inc offers a full range of underground utility construction and trucking. With our excavation and grading capabilities along with our highly trained and certified employees we can offer a full site package.

CAPABILITY STATEMENT

At Old Line Construction, Inc we provide general construction services to industrial, government, commercial, and noncommercial clients. Our team has over 40 years of experience in the general construction business and has worked on a vast number of projects. Some of our clients include: Maryland State Highway, JBAB, National Park Service, Andrews Airforce Base, WSSC, Montgomery County Government, PG County Government, Greenbelt Homes, and NAFVAC. We are a heavy highway construction business specializing in underground utilities including but not limited to: water mains, sewers, storm drainage, excavation, and demolition. We complete work throughout the DC, Maryland, and Virginia area.
